2023-2024 Sailfish Moose Legion Directors Installed

Vero Beach, Florida... On a beautiful day, May 6, 2023 our new Sailfish Moose Legion Board of Directors were installed by Past President, Bill Brumfield. These Moose Legionnaires have pledged to lead our unit to success in the coming year. Leading the way is our new President Will Hartnet. Will joined the Vero Beach Moose Lodge #1822 over thirteen years ago. It all started when he was asked to assist with a big lodge function and later invited to put his name in to be on the Lodge Board of Officers as a Trustee. Serving multiple years as Trustee, Chaplain, Vice President, Governor, and Junior Past Governor. He served Sailfish last year as Fraternal Director.

I took a few moments to talk to Will about some challenges our Moose Legion will face in the coming year. Immediately he turned to membership happiness, and fundraising. One goal he seeks to accomplish is to educate Lodge units on how they can support our fraternal efforts while showing value and need to our membership. He says, "we should be challenging our members to get things done." For when we do, our efforts are noticed by others and in turn they want to know more, and get involved. Thus, expanding our membership.

Will is excited to forge ahead into this new Fraternal year. He looks forward to the Celebrations we have planned. In his per-

sonal experience, when a new Moose Legionnaire attends our Conferral Ceremony, they take back a piece of Moose in their hearts. So many times, he has had a new member come to him and ask how to get more involved, after attending a Celebration. He complimented our Ritual staff for exciting our new Moose Legionnaires and inspiring them to do more.

Our other Directors include, Vice President Manny Correia, Chaplain Chris Nichols, Financial Director Dennis Alexander, Fraternal Director Norm Reed, Secretary Lee Singleton, and Junior Past President Mike Del Santo.

Secretaries Message

Here we are getting ready for Reno! I am not to sure about it myself, the money and all the rest. Still, I am ready.

I want to say congratulations to all of our new Pilgrims. Sailfish looks forward to our new "Baby Moose" he is from Ft Pierce.

After we come home from the convention, we will be getting ready for a great celebration at Lake Worth. We ended the year on the plus side on membership, but now we are down 9 members. So, I hope we can get out there and find about 30 new members to be conferred at the celebration. As you have been told so many times, "Retention" takes all of us. When I give you the expired list, please get to work on it and get it back. It takes all of us working together to "get it done".

I am sure we will know our commitment after the convention. We will need to get to work and raise the funds to turn it in as always.

I want to thank all of YOU that work so hard to make Sailfish second to none. We have a great new group of Directors. This celebration will be the first for our new President. We all need to work with him to make it a great year. "I know we will".

Please, each of you get with Norm and Judy, the booklet chairpersons, and provide the information required. Think about placing an ad in the booklet to help cut the cost.

I would like to say one thing, NOT only do we need members, but we need to remember part of the enrollment ceremony, "do one good thing, for someone, each day". We all need to do our best to make our world a better place. Let's all be what we can be, and work together. **Thank You Lee**
